TERMS OF BUSINESS

Our Mission Statement:

"Our goal is to protect the security of our clients' families and businesses, to create a wealth and peace of mind in an uncertain environment and to manage and advise on securing a stable financial future for our clients."

Terms of Business Effective From March 2026

Rafal Romanowski t/a RR Financial Services

These Terms of Business set out the general terms under which our firm will provide business services to you and the respective duties and responsibilities of both the firm and you in relation to such services. Please ensure that you read these terms thoroughly and if you have any queries we will be happy to clarify them. If any material changes are made to these terms we will notify you.

Our Services

RR Financial Services is a member of the Brokers Ireland (BI). As a member of Brokers Ireland I we must be in a position to place insurance with at least five Insurers of the relevant form (life/non-life) and therefore can generally give consumers greater choice than agents and tied agents. Our principal business is to provide and arrange transactions on behalf of clients in relation to life & pensions. A full list of insurers and product producers with which we deal is available on request. RR Financial Services is an Independent Broker which means that the principal regulated activities of the firm are provided on the basis of a fair and personal analysis of the market. RR Financial Services acts as an **Independent Broker** which means that:

- a) The principal regulated activities of the firm are provided on the basis of a fair and personal analysis of the market; and
- b) You must pay for our services by means of a fee. We provide our services on the basis of independent advice. This means that the firm does not accept any third party payments (i.e. commissions) from Providers.

Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

the needs of the customer,
the size of the customer order,
the number of providers in the market that deal with brokers,
the market share of each of those providers,
the number of relevant products available from each provider,
the availability of information about the products,
the quality of the product and service provided by the provider,
cost, and
any other relevant consideration.

Life and Pensions

We provide life assurance and pensions on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies we will explain to you; a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

In some cases, we may be granted authority from an insurance undertaking to conduct tasks on their behalf, for which we will be remunerated. Where we place your business with this insurance undertaking under this authority you will be notified in advance of the placement.

We will also offer assistance to you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover.

Statement Of Charges

We are remunerated by commission and other payments from product producers or lenders on the completion of business. You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to on-going advice/assistance exceeds 3 hrs.

Clawback

If we receive commission from a product provider [and off-set the commission against the fee which we would otherwise have charged you] but the commission is subsequently clawed-back by the provider because of early encashment by you or because of the transferring of the assets or business to another provider or in any circumstances consequent on your actions or omissions, we will charge a fee to you that is equal to [100% of] the clawed-back commission. That fee will be owing in simple contract upon the claw-back of the commission.

Sustainability Factors- Pension Advice

In accordance with the Sustainable Finance Disclosure Regulation ('SFDR'), we inform you that when providing advice on insurance-based investment products/Investments, we do not assess, in addition to relevant financial risks, relevant sustainability risks as far as this information is available in relation the products proposed/advised on. This means that we do not assess environmental, social or governance events/conditions that, if they occur, could have a material negative impact on the value of the investment.

Personal Retirement Savings Accounts (PRSAs) – Fees

Where advice is requested for PRSAs, the following hourly fees will apply:

Advisor fees: € 300 per hour.

Support staff: € 50 hour.

Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency. We will notify you in advance of providing you with these services. Our scale of fees for such cases range from a minimum of €100 per hour to a maximum of €300 per hour. If we receive commission from a product provider, this will be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission will become the amount payable to the intermediary unless an arrangement to the contrary is made.

.Disclosure Of Information

Any failure to disclose material information may invalidate your claim and render your policy void.

RR Financial Services is remunerated by commission and other payments from products producers on the completion of business. You may choose to pay in full for our services by means of a fee. In such circumstances, the fee will be agreed in advance of providing the service and will reflect the nature of the service given. Where we receive recurring commission, this forms part of the remuneration for the initial advice provided.

Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change which may result in you having insufficient insurance cover and/or inappropriate investments. We would therefore advise that you contact us to ensure that you are provided with up to date advice and products best suited to your needs.

Consumers: Duty of Disclosure when completing documentation for new business/renewals and midterm adjustments

You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the ‘average consumer’¹.

Before renewal of the contract of insurance, specific questions will be asked. Again, you will be required to answer honestly and with reasonable care. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged.

Failure to answer all questions honestly and with reasonable care can result in the Insurer being able to rely on proportionate remedies for misrepresentation, which include but are not limited to the insurer voiding the contract of insurance. If a policy is cancelled by an insurer for any reason including payment default you may encounter difficulty in purchasing insurance in the future.

Completed proposal forms/statement of fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

Conflict of Interest

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises we will advise you of this in writing before providing you with any service. A full copy of our conflicts of interest policy is available on request. In some cases, we may be a party to a profit-share arrangement with product producers where we provide extra services for the provider. Any business arranged with these providers on your behalf is placed with them as they are at the time of placement the most suitable to meet your requirements taking all relevant information, demands and needs into account.

Complaints

Upon receipt of an oral complaint, we will provide the option to have the complaint addressed through the firm's established complaints procedure. We will permit and facilitate submission of complaints in writing by post and by electronic means. We will acknowledge your complaint in writing within 5 working days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and the complainant will receive an update on the complaint at intervals of not greater than 20 working days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman (FSPO). A full copy of our complaint's procedure is available on request.

Data Protection

We are subject to the requirements of the General Data Protection Regulation 2018 and the Irish Data Protection Act 2018.

RR Financial Services. is committed to protecting and respecting your privacy. We wish to be transparent on how we process your data and show you that we are accountable with the GDPR in relation to not only processing your data but ensuring you understand your rights as a client.

¹ Average consumer as per Directive No. 2005/29/EC of the European Parliament and of the Council of 11 May 2005 is reasonably well informed and reasonably observant and circumspect, taking into account social, cultural and linguistic factors.

The data will be processed only in ways compatible with the purposes for which it was given and as outlined in our Data Privacy Notice, this will be given to all our clients at the time of data collection.

We will ensure that this Privacy Notice is easily accessible. Please refer to our website ([link](#)). If this medium is not suitable, we will ensure you can easily receive a copy by hard copy, or telephonic environment.

New Business & Renewal

If you have taken out a life insurance contract, you may cancel the contract by giving notice in writing to us within 30 days after the date you were informed the contract is on cover. If you have taken out a general insurance contract, and we have not met face to face during the process, you may cancel the contract by giving notice in writing to us within 14 days after the date you were informed the contract is on cover. The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover. This right to cancel does not apply where, in respect of life insurance the contract is for a duration of six months or less, or in respect of general insurance, the duration of the contract is less than one month.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

Post-Contract Stage and Claims

An insurer may refuse a claim made by you under a contract of insurance where there is a change in the risk insured, including as described in an "alteration of risk" clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover.

Any clause in a contract of insurance that refers to a "material change" will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the both you and the insurer when the contract was concluded.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time.

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty).

If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.
